

## POLICE "Have your say" MORNING

The police will be outside the Co op on the square on **Saturday 21st June between 11am and 12 noon.** This is an opportunity for you to raise any matters with them. They will also have their bike marking kit to security mark your bikes and scooters.

**PETANQUE/FRENCH BOULES** We now have 7 people interested in playing on our French square. If you are interested email us on [madleyparkresidents@gmail.com](mailto:madleyparkresidents@gmail.com)

**FAREWELL** We are sad to be saying goodbye to two of our committee members this Summer. Sandra Russell has brought stateside energy and enthusiasm to so many activities, and issues on Madley Park. She has also transformed our newsletter and set up a successful Facebook account. A big thank you Sandra for all you have done and to Ian and the family who have helped and supported. Thank you also to Eduard Kriegler for your contributions and for being there to help and support at many of our events.

**NEW MEMBERS** We do now have 3 vacancies on our Committee. If you are interested in coming along for a taster meeting please contact David Bates on 708231. We meet every 6 weeks at Madley Park Care Home on a Monday evening. Next meeting is scheduled for 7th of July, 8pm.

**LITTER PICK** A record turnout of over 50 residents on Saturday 12<sup>th</sup> April and great job done. Thanks to all who took part. We will be out again in the Autumn. We found again that a lot of litter was from recycling bins. We are lobbying for better fitting lids but in the interim you can get/request a net for your bins from the District Council shop on Welch way.

**EASTER EGG HUNT** 72 children and families had a great morning hunting down clues on Madley Park, colouring in the Easter Bunny and winning chocolate eggs galore! Thanks to Stuart George and family, and those who also helped, for a great morning.

## MADLEY PARK GETS NEW BUS SERVICE

GO RIDE CIC, a not for profit community transport operator, are taking over the bus services to Madley Park from the 2nd June. In the local authority review of services in West Oxfordshire, GO RIDE committed to provide five services "commercially" (requiring no support from your Council Tax). This enabled the County Council to cut expenditure substantially, without cuts to the local bus network. We use smaller buses which save on fuel and cut carbon emissions. All buses from Madley Park will continue from the Market Place to West Witney. In conjunction with the Madley Park Residents Association, we are offering a trial offer for anybody going to work on the bus in West Witney. If you the leave on the 08:26 or 09:00 (and return on any bus), you can get 10 tickets for the price of £5.00. This is a limited offer which you can access by dropping us an email below. The bus will renumbered from 213 to W2 and 214 to W3. Single and return fares will be the same as they are now and for regular travellers a ten trip ticket will give the greatest savings. Concessionary passes will be honoured just the same as regular bus services. There will be an extra bus at 09:00 for Madley Park residents on Mondays to Fridays to get people in town. The buses will have 16 seats with space for wheelchairs and buggies. If you have any enquiries please get in touch via our local rate number on 0330 330 8489 or email [hello@goridebus.co.uk](mailto:hello@goridebus.co.uk) or be our friend on Facebook. ( by Danny Douglas, GORIDE Director)
